14 dreams to work on
14 dreams of independence
14 dreams to share

We are LiveWorkPlay
We want to stay
We want to stay

On my own together with great people
On my own Carleton friendly inviting place
On my own lots of interesting people in my space
On my own smiling and out at night
On my own it feels aw right

This is the best way
We are LiveWorkPlay
We want to stay
We want to stay
