

LiveWorkPlay Island

(To the tune of Gilligan's Island)

Just sit right back and you'll hear a tale
A tale of a group so hip
They started out at Carleton
The Leeds House was their ship

Warren said I'm ready man
Paul was not so sure
Rachel said I'll do my best
Moira would try hard – this she would assure

Emotions started getting rough
Some curse words they were tossed
If not for the courage of the fearless crew
Progress would be lost, progress would be lost

The group worked on their challenges and soon they all could smile
With Caroline
Jen and Jenny too
John Cholmondeley, Cooper Gage
Robin, Ryan
Lucas Ian Laura
Here on LiveWorkPlay isle!

So this is the tale of different ways
We're learning all the time
How to make the best of things
What'n exciting climb

The families and all the staff
Will do their very best
To make the future comfortable
But life will be a test

We'll need to make some super plans
It's all of our duty
A great housing solution
The best that it can be

So join us in a dream my friends
Let's all put on a smile
These courageous individuals
They did it all with style
