Maybe Moira's peers can get her out of bed**

With all that freedom he was made in the shade**

Like 50 days of study for Alicia's exams**

Cooper has been ready since July of last year**

With thoughts of Laura living in community**

I'm proud to sit back and just watch you grow**

So Dan and Kathy repainted their house**

**Lynne and Dave had very few concerns
They read the chronicles to hear what Robin learns**

Not busing back and forth from old Stittsville**

Caroline worked hard and made them very proud**

He replied "I'm not a reprobate!"**

**Jack told Ian keep your questions polite
Ian asked "Dad are your shorts too tight?"**
